Please join us in Brisbane in a discussion on Indigenous ear health in Australia.

The government is seeking guidance from indigenous communities, ACCHO's and health professionals to develop a hearing health roadmap.

Let's work together to close the gap in hearing health.

2019 Indigenous Ear Health Workshop

Aims / Objectives:

1. Discussion of Health Policy
2. To discuss the importance of advocacy
3. To discuss practical applications including use of Teleotology in indigenous communities
4. To consider the best direct referral pathway
5. To identify best practice in ear health in Primary and Community Health
